### **THE MALL WINS ROSPA GOLD AWARD**

The Mall has won a prestigious RoSPA Gold Award for its employee safety management system.

Martin Stephens, The Mall's compliance manager, collected the Occupational Health & Safety Gold Award for 2004 at a special ceremony in Birmingham during Safety & Health Expo 2004, the UK's premier health and safety at work exhibition.

The Mall's employee safety management system is operated by our facilities management partner MacLellan International.

Ensuring the health and safety of the 130-strong management team here is vital and good business practice, says Martin Stephens.

"Our health and safety policies and initiatives have been designed to make The Mall a safe working environment and we are delighted that our professional and caring approach has been recognised by such a well-respected organisation as RoSPA," he says.
