PRESS RELEASE

Benvenuto a Carluccio's

Carluccio's, the authentic Italian caffè, restaurant and foodshop, is the latest high profile name to confirm that it will open in The Mall at Cribbs Causeway. The restaurant has taken the largest unit in The Avenue, The Mall's stylish new dining area, and will open a spectacular 100 seat restaurant and foodshop in the autumn.

Carluccio's and YO! Sushi, the conveyor belt sushi restaurant which opened in The Avenue in April, add a new experience to the food offer at The Mall. They join an exciting line-up of quality and fast food restaurants which includes newly-opened Patisserie Valerie, and existing restaurants Nandos and Pizza Hut.

Fitting out for Carluccio's will begin shortly and it's expected that the restaurant will open in early September.

Following a £5 million refurbishment, The Avenue is now a light, modern and stylish eating area with a choice of 10 fast food and contemporary restaurants flanking a central avenue.

Jon Edwards, commercial director of The Mall at Cribbs Causeway, says:

"Carluccio's is a great addition to The Avenue. We are delighted by the quality and breadth of new restaurants that we have attracted; restaurants like Carluccio's, YO! Sushi and Patisserie Valerie complement our existing fast food offer and provide a greater variety for our shoppers."
