

PRESS RELEASE FROM THE MALL AT CRIBBS CAUSEWAY

16 June 2003

HENBURY COURT SCHOOL RECEIVES COMPUTERS FROM THE MALL

The Mall at Cribbs Causeway has donated five computers to staff and pupils at Henbury Court Primary School.

The computers have been provided by The Mall's owner and manager Prudential Property Investment Managers Ltd as its systems have been upgraded and the computers were surplus to its requirements.

The computers, which have been thoroughly cleaned and refurbished by Tools for Schools, will be used by the school to enhance its computer studies lessons.

Commenting on the donation, Mrs Pat Burkitt, Head Teacher at Henbury Court School, said: "We are thrilled that The Mall considered us for this equipment. It will enable us to give more of our children more time to develop their IT skills as well as assisting in the general education through computer-based programmes.

Rachel Wells, Community Manager at The Mall, responded: "We have a significant commitment to involvement in the local community and we look forward to seeing these children benefit from this new equipment."
