FIRE AND ICE SHOW AT THE MALL AT CRIBBS CAUSEWAY'S ICE RINK

PHOTO OPPORTUNITY

Date: Tuesday 6th December 2005
Time: 6.30pm - 7pm
Event: A spectacular Fire and Ice Show on the ice rink at The Mall at Cribbs Causeway.

Shoppers are invited to watch a spectacular outdoor Fire and Ice display at 6.30pm on Tuesday 6th December on The Mall at Cribbs Causeway's ice rink.

The show, designed especially for The Mall, will be performed by some of the country's most talented ice dancers and fire performers in a 15 minute choreographed spectacular.

Sue Boor of The Mall, says: "Ice dancing is beautiful to watch and I'm sure many people will appreciate the skill and artistry of this show. The pyrotechnics are exciting too. And afterwards, visitors who've been inspired by the display can take to the ice themselves. Booking for the ice rink is essential though, particularly at peak times in the evening."

The ice rink, which opened on Monday 14th November, is proving hugely popular and looks particularly beautiful at night when the trees around the rink are sparkling with little fairy lights. It is a third bigger than last year and can accommodate up to 150 skaters at a time in hourly sessions. Skate hire/changing facilities are included in the ticket price.

The ice rink is open every day (except Christmas Day) until Sunday 8th January 2006. Booking for the ice rink is essential to avoid disappointment. To book, go on-line at www.mallcribbs.com, or call 0117 915 5555 during office hours.

Ice Rink Ticket Prices (including skate hire)

- Child Ticket (under 12) £5.00
- Adult Ticket £7.00

School and other group parties can contact The Mall for an Information Pack or download it from www.mallcribbs.com.
