Two for one on the ice this Valentine's Day

The Mall at Cribbs Causeway is offering lovers across the city the chance to skate under the stars this Valentine's Day. The Mall is opening its spectacular outdoor ice rink especially for the evening so couples can enjoy an hour gliding hand in hand across the ice.

To celebrate the evening, The Mall is offering two ice skating tickets for the price of one so your loved one skates for free. This offer is available from the ticket office on the day. You can also request special dedications over the tannoy in return for a £1 charity donation.

The ice rink will be open from 4pm until 8.45pm on Valentine's Day.

The Mall's ice rink is open Thursday and Friday evenings and at weekends until 27th February. Friday evenings are Disco Dancing on Ice sessions. Through February half-term, the ice rink will be open daily. Tickets £5.50 per child and £7.50 per adult. Visit www.mallcribbs.com for details of opening hours.
