Congratulations to Vicki Dear of Kingswood, Bristol, who won a smart fortwo coupé car in the Grand Final of a free prize draw at The Mall on Friday 30<sup>th</sup> September. The Grand Final was staged to support Macmillan Cancer Relief's fund-raising spectacle, the World's Biggest Coffee Morning, supported by smart and Prudential.

Vicki attended the Grand Final on an extended lunch break from work at the Britannia Building Society, accompanied by her parents Mike and Ann Jones. Vicki was over the moon at winning the car and hopes to keep it for her 16 year old daughter Cara, who will shortly be learning to drive.

Sue Boor of The Mall says, "Thank you to everyone who made donations to this very worthwhile appeal. All the money raised will be donated to help Macmillan provide support for people living with cancer in the community."

The money will go directly to fund essential information and counselling centres, specialist Macmillan medical staff, buildings for cancer treatment and care, as well as grants for people with cancer who are in financial difficulty.
